

One String of LED Holiday Lights

## only redeemable at Ronny's Garden World

Limit 2 per customer. Expires 12/24/17.

The Delaware Municipal Electric Corporation (DEMEC), along with it's nine members: MSC of the City of New Castle, Newark, Middletown, Smyrna, Clayton, Dover, Milford, Seaford, and Lewes BPW, encourage energy efficiency through the use of LED lighting when decorating for the holidays. LED light strands use 70% less energy than traditional lighting.

This DEMEC promotion is part of the WDSD Best Holiday Display Contest.
